SUSTAINABILITY EVENT

We ran our 4th successful sustainability event in October at Butlins Bogner. There were over 50 companies present raising MVRRS's Ltd profile in the national sustainability market place.

MVRRS Ltd have signed a training contract with Merthyr County Borough Council. MVRRS will be delivering 10 sustainability sessions in schools across the region. Other local authorities are now interested across Wales, exciting times...

A MONTH OF NEW FACES

Helen Harris joins us on the 19th of November in the Quality Managers role, Helen has over 20 years work-based learning experience and has a strong working knowledge of both ESTYN and Ofsted, obtaining a grade 1 Ofsted rating for T2 in 2011.

Melanie Thomas joins us as Business Manager ESFA contracts. Melanie has over 15 years Senior Manager experience with Remploy in the Welfare to Work and Apprenticeship sector, Melanie is team focused and has achieved excellent performance results on the flexible new deal and Work Programme contracts.

Magdalena Fellows has joined us on our ESFA Contract as an experienced assessor moving across from T2. Magdalena has already developed some excellent working relationships with key employers in the South West.

Samantha Lee and Angela Lockett have joined the Welsh team. Both Sam and Angela have settled in well and are supporting learners across South East Wales to a high standard.

Daniel Gould joins us in IT, this is a long, awaited appointment and Dan is already adding huge value to our day to day operations.

Wales England Care Ltd

Hannah Dunham joins from ALS, Hannah's experience in work-based learning will add value to our already established admin team.

Amy Jenkins joins us in Wales England Care in the management team. Amy's planning and management experience as a lecturer and working within the NHS, will improve and streamline our provision taking us to the next level.

CONTRACTS

WALES – We have received an enhanced contract offer from our Prime contractors for 2018-2019 to include ALS, NPTC, Bridgend College and Torfaen training.

ENGLAND – We will have around 50 non-levy learners in learner with BCTG at the end of this month moving our ESFA contracts forward. We have another non-levy sub contract in the pipeline ready for delivery in Dec 2018.

We received an A grade review in our first ESFA audit ensuring our ROATP status.

STRATEGIC PLANNING

The Board have invested in an external business strategy business to support our business growth and planning. Over the next 12 months a Business Unit is planned for Bristol, the Sales and Marketing team will move to Risca and we are looking to appoint a Sales and Marketing Manager to drive our overall business development strategy. Our sustainability product range will be finalised by the end of November to include Waste Management QCF,s, Corporate sustainability products and seminars.

Systems

We have invested in Onefile as a central E-portfolio system to improve and streamline our training and education delivery.
