

## AWARDS AND RECOGNITION

MVRRS Ltd were awarded National Growth Business of the Year 2018 by the Welsh Chamber of Commerce.

Kim Churcher was also selected as a Finalist in Welsh Women of Year growth Business Category 2019.

MVRRS Ltd also achieved Investor In People Silver standard in Feb 2019.

This recognition is well received by the Directors and Senior Managers. The Senior team understand that this could not have been achieved without the hard work and commitment from all our teams and now 70 staff.

To support our success and recognise all the hard work people have put into the business we have a **10-year anniversary ball planned in the Celtic Manor in August**. All key partners and staff who have supported the business will be in attendance it should be an excellent night.

## NEW FACES

**Ceri Jones** joined the SMT in May as the Business Unit Manager covering ESFA contracting. Ceri has over 10-years, experience in work-based learning and has a strong working knowledge of ESFA contracting and Ofsted standards.

**Chris Arnold** joins the SMT in May as Contracts Manager all contracts. Chris has over 20 years Senior experience in work-based learning. Working previously at ACT developing the organisation into one of the largest and most successful providers in Wales. Chris has also more recently worked on ESFA contracts and will be reviewing our finance and process management solutions to ensure that contracts run efficiently.

**Kat Pugh** joins us in May as Lead IQA. Kat has over 10 years, experience in work-based learning and will support Helen Harris Senior Quality Manager in developing our learner offer to an Ofsted / ESTYN high level standard.

## CONTRACTS

**Wales Apprenticeships**– We have received an enhanced contract offer from our Prime contractors for 2019 to include ALS, NPTC, Bridgend College and Torfaen training.

**England Apprenticeships** – We have signed a new contract with Dudley College and have our first 20 active learners for the month of May. This new contract adds to our already established BCTG contract. BCTG have also offered us growth in 2019.

New contracts are currently being reviewed for Wales and England.

**Wales England Care** – We have just acquired two new contract areas Cardiff and Caerphilly resulting in a 50% growth in contracting. A big well done to Maxine, Diane and Emma for all their hard work.

## STRATEGIC PLANNING

We are in the process of reviewing our branding and website this will be finalised in the next few months.

We are on target in terms of our strategic goals. We have opened 2 new business units and contract performance is in line with our target apprenticeship learner numbers and targeted hours for 2019. Projected performance should ensure that our 5-year business plan is on target for December 2019.

## Systems

Onefile is now our central E-portfolio system and continues to improve and streamline our training and education delivery. Further investments will be made in 2019 linking Onefile to Maytas improving our data management systems, in line with national government digital expectations.

IT continues to improve through Daniel Gould with excellent work going on behind the scenes to ensure our digital future is secured.
